The new office is located at **MTA House, 141 Logan Road, Woolloongabba**. The visitor car parking is located behind the building off Qualtrough Street or in the surrounding streets (however be mindful of time limits when parking on the streets). The office entry is via sliding door on Qualtrough Street side of the building and not through the main doors/foyer off Logan Road.

COMING FROM THE SOUTH: Along Logan Road turn left into Qualtrough Street and then left into the car park.

COMING FROM THE NORTH: On Logan Road the road is divided and you can not turn right into Qualtrough Street. It is advised to head south on Ipswich Road and turn left into either Broadway Street or Qualtrough Street (street before the Norman Hotel).
